Congregation at Scotland Road Hall Hears Sermon on Moses-Mrs, James Bushnell and Family Meving to

At the Scotland road hall Sunday afternoon a preaching service preceded the session of the Sunday school. Supt. William Crawford took for the subject of the address The Life and Death of Moses. Few men ever saw so many or so great changes in life, be said. From infancy in the basket among the bullrushes, through his youth in the Egyptian palace and man-head as leader of his people laraci-his greatness was daily brought out. Greatness in character, leadership onstancy, law-making, and as climat greatness in his fidelity to God, even hough his greatest desire which he so ften voiced in prayer of reaching the Promised Land" was never gratified. Only a glimpse was given him of this and at the end of his life. Then he went up on a mountain, died, and was buried in a sepulchre which no one could point out. So is the greatest character sending forth daily helps which bury themselves in unknown hearts, later to ripen and near fruit.
